Mr
STAFF

Dear – here is my suggestion as to how we may move forward.

It would be in addition to your accepting that you would abide by my instruction to cut contact with – modified to accept casual teacher/student contact, as we agreed this morning – and also “that you think deeply about the nature of your professional relationships with boys to ensure that you do not breach appropriate professional behaviour standards. In the context of this recent event I ask for you to agree to be highly sensitive to this issue of appropriate staff professionalism in relationships with the boys.”

Yours sincerely

P J Crawley
