Subject: Concerns re private tutoring

Dear Mr Kinmond,

Thank you for speaking with me the other day. I have made some enquiries and confirmed that two students that we know of are being tutored privately by ARH ARH who was once an employee of this school and then of School 1. It is our understanding that some allegations of misconduct were made against ARH. We are concerned for our students and wonder what we are able to do in this case?

Kind regards, REDACTED
