

OMB.0012.005.0014

Matter: 31/5/04.

By:

NSW OMBUDSMAN

Date: MAKAROV.

P/c from [CAD]

Wants an update-Makarov still working. Really angry that government is not doing anything

Hopeless situation. I told him that we are investigating the matter and that we will ensure the child protection systems are in place but that employer has the right to assess the risk and in this case it is difficult to direct the agency to stand him down.
