Dear Jan,

Further to our previous discussions in the matter of CEG and Mr CDM, I am sending you further information for your file.

Enclosed is:

- The correspondence from CEG to the parents concerned
- The reply to CEG from the parents concerned
- The reply from CEG to the parents concerned.

I have no doubt that you will be hearing directly from these parents in the near future.

I have sold CEG and I am preparing to move to Boston, USA for medical treatment before Christmas. Please let me know if there is any further information that I can supply you or any further actions I need to carry out.

Yours sincerely,
