

STATEMENT

Name: Norman Edward LATHAM

STATES:

My full name is Norman Edward LATHAM, I am 67 years of age and I was born on the **REDACTED** 1946.

I am now retired and I receive the age pension.

I have made two statements previously to Police about what happened to me at Turana Youth Training Centre in Parkville. The 1st statement I gave was in Kempsey NSW in November 2009 and the 2nd statement was in Melbourne in April 2010.

I have been asked if I can clarify the dates of my time at Turana and when certain things happened to me there.

I can honestly say that I believe that the dates that I have given in my previous statements would have been correct. However, I may have been a few years older than I thought; it was so long ago it is difficult to remember exactly when the sexual abuse inflicted on me by WILKIE occurred. The only thing that I can be positive about is the actual things that WILKIE did to me.

I will never ever forget what he did to me and I spent years trying to drown out the nightmares and the memories of what had occurred with alcohol. It may well have occurred in the early 60's rather than the late 1950's. I never kept a diary or made any notes of what occurred and when. I only wish I had.
