Hi [APL]

I was in Gogford talking to the lawyers on the Friday (at their request) & during the interview I realised there are a few times, dates etc which I would really like to confirm with U before the trial. I don't see any problem with that providing it's just between us & occurs before it starts. Will you be happy to do this? I just reckon if we can make our evidence as clean & accurate as possible it will be of great benefit & the best outcome would be that Swakka gets convicted at this trial & does a deal on all the other charges - this would mean end of story & no more trials

You anyone else. It's difficult to get a conviction & in my opinion it's unfair that the jury don't get to hear the whole story. Anyway I'd really like to just clarify a few things with you which would really give our combined evidence the edge.

Paul whatshisname, the lawyer you spoke with, told me he was thoroughly impressed with you & your clarity of thought - he said "she's very impressive & her clarity of mind is extraordinary in someone of her years". He reckons you'll make an excellent witness & that our combined evidence is very strong.

I don't know when I'm coming down, but they'll

probably book me a flight  
for the Wednesday morning of  
the trial. I can't come on  
Tuesday 'cos I'm singing at a  
wedding. So I could either see  
you early Wednesday somewhere  
(preferably not in the court  
house) or I could do it by  
phone later this week.

It is a glorious Queensland  
day here with blue sky &  
plenty of sunshine - after the  
eternity of rain it's wonderful!

Love always,  
S.

P.S. Enclosed is my recent  
claim to fame for jingle  
singing. (11)
