

The Marist Film Club

The Marist Film Club was established many years ago with an initial objective of providing various services to students wishing to produce a film or video or anything of that nature. It then progressed to showing films on a monthly basis to students and friends of the school.

The year was one of many changes within the Club and none more obvious than the departure of the framework of the organisation, Br Kostka. His invaluable assistance to and supervision of the Club have been missed since his move to America.

The Club provides funds and assistance to many other school related extra-curricular activities including the Photography Club, Toastmasters/Gavel Club and Rugby Union scholarships. The experiences gained by the members of the Club in such areas as management, treasury, film and sound projection and responsibility prove invaluable.

This year's executive members from Year 12 were:

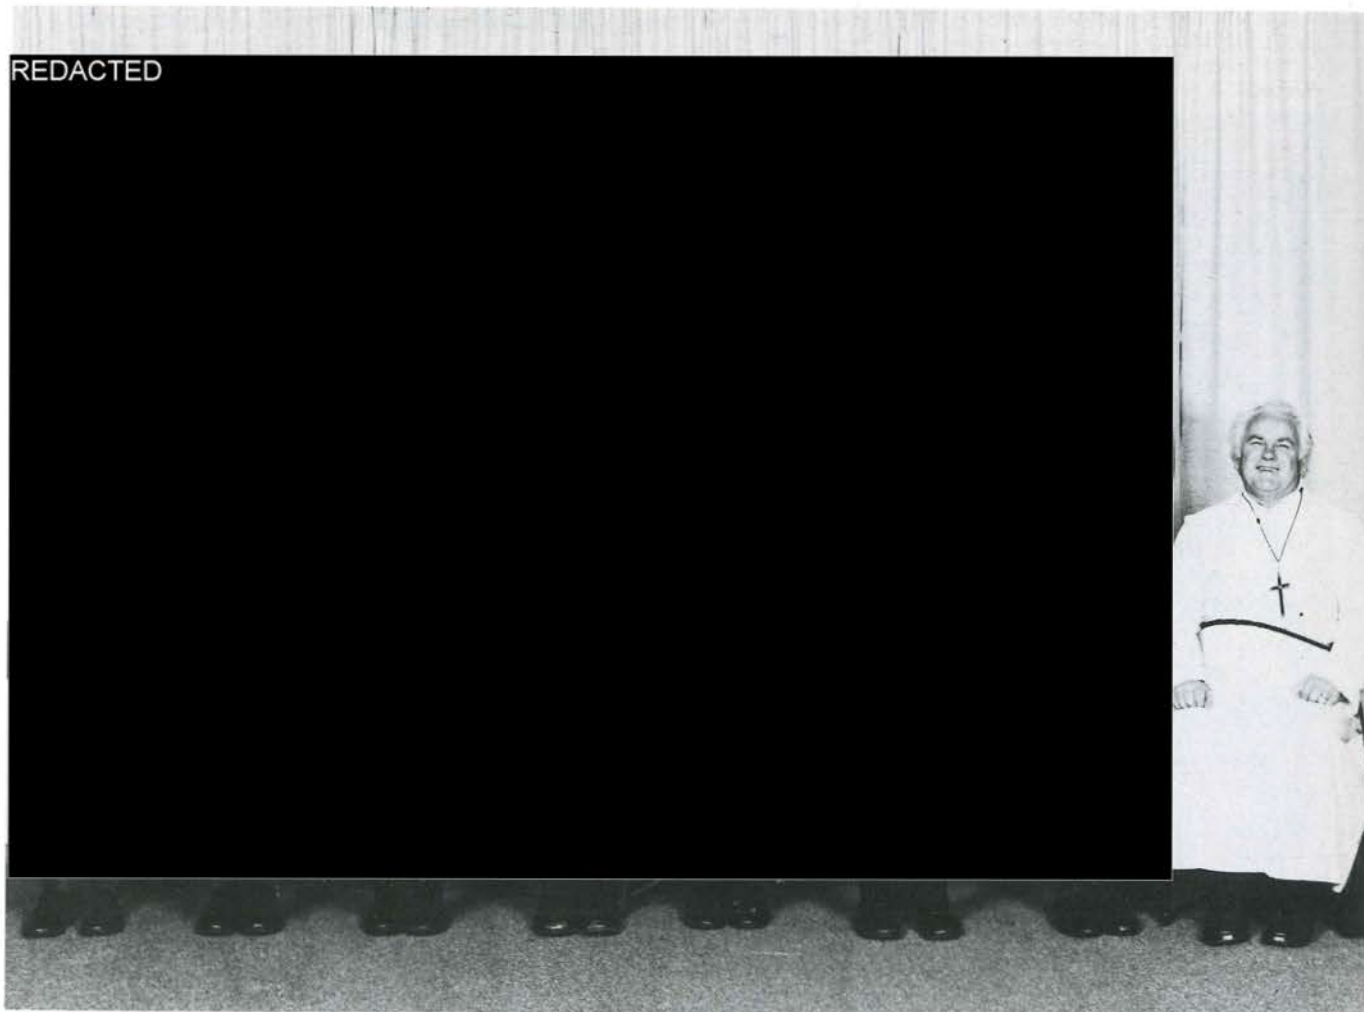

REDACTED

Many thanks to Br Michael who undertook the mammoth job Br Kostka had previously held. His presence and courage in taking on this unfamiliar task have been greatly appreciated. The best wishes of the Club are with Br Kostka during his year of studies. Many thanks to the students who have supported the Club's events over the year.
