1. I am a married male, 34 years of age, and I reside at an address that is known to the police. I am a heavy vehicle diesel fitter by occupation.
2. I know Greg KNIGHT.
3. I attended St Paul's Anglican School for boys between 1981 and 1985 as a student. During that time, I was involved with the school's music program. I took music as a part-time subject in my junior years, then in my senior years, full-time. I played REDACTED then later also REDACTED in the school's bands. From when I started at the school (1981) to year 11 (1984), KNIGHT was the music teacher and band conductor at the school.
4. I was encouraged by my friend REDACTED to join the band, as he had taught me the basics of the REDACTED. I found the music program to be very good, and I found KNIGHT to be a good teacher. Sometime in the first half of year 11, I talked to KNIGHT in detail of my parents' recent separation. He had come to me with the offer of being able to talk to him about anything.

CONTINUED STATEMENT OF: BRX

- 5. After this, but sometime during 1984, there was a music marathon held to raise money for the band, and I attended this event. Around late afternoon of the night I stayed over, I returned to the music block after having a cigarette with REDACTED to find KNIGHT waiting for us outside the music block. He asked REDACTED to go inside, and then proceeded to ask me of my whereabouts.
- 6. KNIGHT then accused me of smoking and then reached out with his hand and said, "Where are they hidden?" whilst starting to fondle my genitals. He did this by placing his hand (I cannot remember if it was his left or right) on the outside of my shorts and began a soft stroking action on my penis. This lasted for about ten seconds, until I threw my hands out at KNIGHT in protest and ran inside. This incident made me feel sick in the stomach and confused. I remember punching the walls of a sound proof booth in the music block shortly afterwards in anger and frustration. I did not hear any more of this from KNIGHT.
- 7. I recall that night seeing a naked student being sent outside by KNIGHT to do pushups. I cannot remember his name, only that he was from a lower grade, possibly grade eight or nine.
- 8. The only people I recall telling about KNIGHT touching me were my friends REDACTED REDACTED and BRT and BRW (BRT's mother) a week or two after the event. I cannot recall what detail I went into when I told these people.
- 9. Sometime after the music marathon, I was summoned to the Principal's office. At the office, I was confronted by the Principal, Gilbert CASE, a church leader (noted by the way he dressed), and someone else who I can't recall, and I was asked to relate the events of the music marathon regarding KNIGHT touching me. During this meeting, I noted a tape recorder on the table. It appeared to be turned on.
- 10. I think that it was only a couple of days after my meeting with Mr CASE that KNIGHT packed his things saying nothing except that he was leaving. *(The rumour at the time was that it was because of what he had done to me)*
