Dear Sir/Madam:

Re: R v.

I refer to telephone discussions between myself and Constable Bennett concerning the above matter. In response to her request for various documents, I have contacted my client and received a favourable response. As a result, I now provide you with the following documents:

- (1) Letter to me from Watchtower Bible and Tract Society of Australia dated 6 July 2001.
- (2) An 11 page letter from dated 19 December 1995.
- (3) A one page report from the original committee that handled the case involving Mr .
- (4) A one page report dated 23 July 1989 from the appeal committee that handled Mr case.

I draw you attention to the points made in paragraph 4 of the Society's letter and ask you to do all you can to respect the request made. You will also note the Society's request in paragraph 5 for the return of these documents once the case against has been concluded. I therefore ask that the documents be returned as requested.

Yours faithfully,
