District Office,

Rockhampton, 29th Oct., 1936.

Sir,

Re Testing eyes and providing spectacles for State boy,**REDACTED**

In reply to yours of the 17th instant herein I recommend that Dr. D.P. O'Brien be paid the £1/-/- for the lenses but I cannot recommend that he be paid the £1/1/- for the testing of **REDA**'s eyes in view of the fact that such work is covered by his fee for acting as Medical Officer and his not being entitled to charge for such work.

As stated in another letter of this date I have succeeded in getting Mr. Clarence Baxter, Optician, to test any children's eyes in the future.

Yours obediently,

Sgd. J. Patterson,

Inspector.

The Director,  
State Children Department,  
Brisbane.
