BRISBANE.

Subject: St. Josephs Home, Neerkol. New Motor Mower and  
Repainting of Nursery.

RECORD NUMBER	VAU: SP	MINUTE
---------------	---------	--------

TO: The District Officer,  
Department of Children's Services,  
ROCKHAMPTON.

Reference is made to your minute of the 13th instant regarding the abovementioned proposals.

Due to insufficient funds being allocated to this Department for subsidy purposes it seems as though there will be no monies available during the current financial year for subsidising on the above. However this depends on whether work progresses as anticipated on projects to which funds have been allocated.

Before approval for the payment of subsidy is sought it would be appreciated if you would ascertain from the Mother Superior of St. Josephs Home whether it is still desired to proceed with these projects at this time in view of the above, pointing out that, even though it may not be possible to provide this subsidy during the current year, funds will be set aside for this purpose in the 1971-72 financial year.
