9.7 **CHILD ABUSE**
Rabbi Glasman referred to the recent resolution passed by the Rabbinical Council of America regarding child abuse. He suggested that in light of the RCV's cooperation with the JTAfV, the RCV should similarly release a statement on the matter of child abuse. Rabbi Klugant suggested that any such statement should be made jointly with the JTAfV. He further suggested that such statement only be made following a meeting with or presentation by the JTAfV so that there will be some relevant context in which such statement will be made. Rabbi Garfunkel suggested that the RCV look into the possibility of applying for a grant to assist the RCV in its dealing with the issue of child abuse.
