Following your telephone call 12th August, 1971, referral was arranged to Melbourne Family Care Organisation, Ferntree Gully Road, Glen Waverley. (Phone number **REDACTED**). The Senior Social Worker is Mr. Max LIDDELL, and he agreed to assign a Social Worker, to investigate the placement immediately, and if necessary maintain contact with Marian and the Pratt family. The Social Worker is experienced in foster care and has worked with Aborigines in Queensland.

M.F.C.O. will write direct to you, and if they feel the placement should be terminated, will contact you by telephone.
