Dear Mr Ryan,

RE: AWI  
Date of Birth – REDA 68  
RCH UR No. REDAC

We are writing to inform you that Ms AWI has reported an alleged sexual assault by a visiting religious worker at the Royal Children's Hospital during an admission she had in 1981. The Police have requested a copy of her file. Portions of this file are still with Mr John Snowden of Phillips Fox. Administration is in negotiations with Mr Snowden for return of these files. Advice from our Corporate Lawyer – Ms Elizabeth Kennedy is that release of a copy of the files we have on record is appropriate.

Yours sincerely,

for Dr Colin Feekery  
Assistant Director  
Clinical Support Services
