INTERNAL MEMORANDUM

GENERAL MANAGER'S
OFFICE

DATE: February 25, 2002
TO: Ms Elizabeth Kennedy, Legal Counsel, Women's & Children's Health
FROM: Dr Ian McIntyre, Medical Information Coordinator
RE:

Phillips Fox have indicated that they no longer have a direct association with the Royal Children's Hospital and that Elizabeth Kennedy will need to contact John Snowdon if any report is to be given to the Police. The terms of such an enquiry will also have to be known for Phillips Fox to comply.

Phillips Fox is very unhappy with the manner in which they have been treated by the Royal Children's Hospital "contemptuous" is the term they use.

Ian McIntyre
