Dear Professor Bowes

Request for medical records - [AWI] (UR REDA)

I refer to your letter of 4 March and your subsequent telephone discussion with John Snowdon while he was in Vietnam. As you are undoubtedly aware, John has now left from Phillips Fox.

Before leaving, John indicated to me that, while he could recall speaking to Dr DeCampo in relation to Ms [AWI] several years ago, he did not have any recollection of receiving 'confidential correspondence from Ms [AWI]'. We have searched Hospital file from 1998 but have been unable to locate any correspondence. As it appears that the correspondence in question comprises only letters to the Hospital from Ms [AWI], Victoria Police should be able to obtain copies from her. I regret that I am unable to be of assistance.

Yours sincerely

Natalie Franks
