Dear ME

RE: Your letter dated 5/7/02

The following supplies the information you have requested:

The photograph that you are referring to was seized on the 10th of September 1993 at a Hackham West address. It was in the possession of the person currently before the court. Your photograph was one of hundreds of photographs seized. I believe you have recently seen the photograph, which was produced to you by Linda Fellows of our section.

As a result of the commencement of the Police review a number of the photographs seized in 1993 were viewed under the strictest controlled conditions at the Adelaide Exhibit Property Section by Catholic Education staff. The purpose of this was in an attempt to identify whether any of the photographs were of ex-students of St. Ann's. The persons involved in the viewing of the photographs were Sister Loretto O'Connel, Jane Swift and Martin Aartsen. Martin was able to identify you in the photograph.

I have attached a copy of the transcript of your interview as requested. If you have any further queries please do not hesitate to contact me at the Child Exploitation Investigation Section on telephone 84637740 or facsimile 84637750.

Yours sincerely
