To Len Mosheev:

I have recommended that we replace the existing Informations with one Information charging re LH [Gratify Prurient Interest x3, Gross Indecency and USI (anal)] and re LB [Gratify Prurient Interest]. I'm waiting for those instructions.

In the meantime, can you please provide the following asap:

1. Copies of the 4 video interviews with LH. I have filed the 3 video tapes relating to the first 3 interviews with the court. I therefore need a further 1 copy each of the 4 interviews (to show defence) and a further copy of the last interview (14/5/02) to file with the court. I have had a request from the defence to view these videos.
2. Two copies of the photos of the backyard (BJF2) at Dover Gardens taken recently as per the dec of Farrington dated 8/5/02. I have had a request from defence for these photos.
3. Signed decs for [REDACTED] Claude Hannan (re identification of LB) and [REDACTED] so that they can be filed in court. [I have the unsigned decs].
4. A copy of the photos of LB which are identified by Claude Hannan and others (I can colour photocopy them here if that is easiest). I have had a request from defence to view these photos and all the other relevant photos.
5. Is there any point in trying to redevelop the black and white photos DS2 to see if we can get better quality?
6. A further dec from step father of LB setting out the times when Perkins would care for LB (eg from what year, at weekends, whether other boys present, etc).
