Wally Conte
Child Exploitation Investigation Section

Dear Sir,

Re: Perkins

I have located the brief in relation to the above. Also, looking through our boxes, I discovered 4 declaration delivery certificates in relation to the Hawkes / Glencross / Perkins matter. As I couldn't find any for matters involving Perkins on his own, I assumed that the declarations you want were to come from that file. Hopefully I've got everything you need.

Yours faithfully

REDACTED QC
