Dear Wally

Re: LB

Enclosed you will find a signed statement from which has been a long time coming! Also a consent form authorising me to send the copy on to you.

Wally, while you were away on leave I spoke with Peter Rodney. I had telephoned a colleague, Sue Cain, from FAYS to see if she could find out what FAYS involvement was in 1991. Because of the privacy laws she was unable to tell me anything but suggested someone from your Unit could ring and as you know would be given any available information. Peter was going to have someone follow up. Sue rang me a few days later to say she had been contacted by the manager at Enfield, Catherine Harman, in response to Sue's memo, to ask that I suggest to the parents they contact her for information. I have passed that on to and so hopefully it will bear fruit and they will be given some information to build up their meagre knowledge as to what happened at that time.

I am sure we will be in touch! In the meantime I hope you are rested after your break.

Yours sincerely

Pauline A Verity
