

**STATEMENT OF:** LH

31 July 2003

Today I saw some photos of me and MX. Len Mosheev and Liesl Chapman showed me them. They were taken inside Brian's house. Inside the lounge room. Brian was there. He told me to take my clothes off and he told me to touch MX's penis.

About the time at Ted's place, Ted tied me and Brian up together with white rope. Then Ted smacked me and Brian. He smacked us with something thin. Then Ted untied me. Then I smacked Brian. Then Ted untied Brian. Then one of them tied me back up. Then they both smacked me one at a time.

There was also a time at a disco at St. Pat's. Brian and I went on the school bus with some kids. Sometimes, Brian and I were alone in the bus. We were both playing with each other's penises. Brian undid his zip and I played with his penis.

The boys I can remember being at Brian's place sometimes when bad things happened were LB, MU, LE, MX and REDA. They were all from St. Ann's school.

Today I saw photos of me with a belt around my penis. Len Mosheev and Liesl Chapman showed me them. Brian put it there. It was put there to make my penis hard. Brian told me that.
