Ther believes

What happened in

1991 =

1993 → why allowed bail.

1998 = communication breakdown. Police gave incorrect advice to Commissioner.

why didn't police interview everyone at school & speak to everyone to find more Vs.

Intend to recommend to Commissioner that DPP ~~have~~ have access BEAMS

DPP to advise:

↓ application refused by A/C on ~~the~~ advice of police re "minor charges" & more subst charges relied on disabled people giving evidence → dead → did not know about USE charge  
↓ never put on system.
