Dear Ms REDACTED

RE: BRIAN BERTRAM PERKINS

We refer to previous correspondence in this matter.

We note that LH suffers from a mental disability. Has he been assessed by a psychologist to determine whether he is capable of distinguishing between lies and the truth?

If he has, would you please provide us with a copy of the doctor's assessment.

If such an assessment has not been undertaken, we wish to undertake steps to have LH assessed. Clearly, the psychologist will at the very least need a copy of the relevant video interviews. Further, please advise if you would also make LH available for assessment.

We await your reply.

Yours faithfully
