Dear Sir

Re: BRIAN BERTRAM PERKINS

Could you please arrange for LH [REDACTED] to be interviewed on video concerning his allegations against Perkins and Hawkes. Pursuant to section 104(3)(b) if a person is mentally retarded, a statement can be supplied at the committal in the form of a video tape.

I suggest that you contact the Sexual Assault Unit to make those arrangements.

I also require a declaration from a medical practitioner. It should be someone who has assessed LH [REDACTED] in the past outlining the nature of his disability.

If you have any queries, please do not hesitate to contact REDACTED [REDACTED] of this office.

I thank you for your further assistance.

Yours faithfully,

REDACTED [REDACTED] Q.C.

Director of Public Prosecutions
