Dear Sirs,

I acknowledge receipt of your letter dated
19th May, 1970, addressed to the Minister for
Social Welfare.

The Department has made a thorough investigation
of the matters raised by your client.

It would not be appropriate for me to comment
upon the findings resulting from this investigation
but I can assure you and your client that, despite
the fact that the children at the Home are not under
the control of the Minister, every care will be taken
to ensure and protect their welfare.

Yours faithfully,

Minister of Social Welfare.
