

## A G R E E M E N T

\* \* \* \* \*

In leaving my child to stay in a Salvation Army Home, I realise that care is taken for my child but that no responsibility can be accepted by The Salvation Army or persons working with or connected within it, in regard to any injury or harm, loss or theft of property, that may come to the child while at the Home.

I agree to pay the sum of \$7.00 per week as a boarding fee for my child, such amount being in addition to the Child Endowment drawn by The Salvation Army.

I understand that this sum which is the present standard rate of charge, may be varied and therefore I agree to make payment in accordance with the new charge.

I also agree to provide clothing as may be required during the time my child is in the Home.

I authorise the Manager of the Home or his/her deputy to approve the performance of any medical or surgical treatment which is considered necessary for my child's welfare including the administration of any anaesthetic and immunization against diphtheria, whooping cough, polio, tetanus or other diseases.

In endeavouring to assist my child as much as is humanly possible I agree to observe all agreements reached with The Salvation Army or persons employed by that organisation, or working with it. I agree to make myself available to these people for reasonable discussion and authorise the release of their information and opinions to other Agencies engaged in services to my child. I agree to the Manager of the Home and other persons deputized by the Manager obtaining information and reports from other Agencies, Government Departments or Authorities by which the staff of the Home or persons connected in the work of the Home may be assisted in their task of caring for my child.

If I should change my present address I undertake to inform immediately the Manager of the Home where my child is staying and to supply particulars of my full address.

I declare that I will faithfully fulfil this contract.

I agree to have my child home regularly (fortnightly week-end leaves and holidays) as directed by the Home.

I agree to supply a birth certificate extract prior to admission.

I am happy for my son to participate in sailing, boating, under-water diving, ski-ing and all other activities related to the Home.
