Dear Sir,

Re: Mt. Barker Boys' Home.

I wish to thank you for your letter of the 1st July, 1970, outlining the various arrangements you have made to overcome problems at the home. These will certainly enable the staff at the home to continue further in the provision of an environment which meets the needs of the emotionally disturbed and behaviour-problem boys admitted to the Home.

In view of this, I am recommending that the licence for the Home be renewed for a further twelve months.

I wish to thank you for your co-operation in discussing these matters and like you, look forward in confidence to the future programme of the Home.

Yours faithfully,

(R.B. OXENBERRY)
A/SENIOR WELFARE OFFICER.
