27.8.64. RANG BRIGADIER LAWLER who stated that they have no boys at the home under the age of seven years. Consequently I did not visit. He stated that everything was satisfactory at the Home. As Mr. Roberts visits boys at this Home, I suggest that he be asked to write a report on the Home once a year.

Mr Fapp.

Whilst Mr Roberts has anyone in this Home under supervision - a report is required - once per annum - in general terms if there is no child under 7 years in the Cust. If there is a child under 7 years the usual report form to be used. *LFM 11/9/64*
