I, Donald Marou, state that I was on Duty the evening, 23rd March 2006. I did notice a few boys missing on my shift. They boys are mentioned above and they were missing around the time of 8:30pm. When Lionel came back we discussed the situation because I thought the boys were at the library. The boys then returned within 15 mins (8:45pm) and the boys said that they were with the girls. DFL said he had oral sex with one of the girls. REDACTED also said that he had sex with one of the girls.
