Dear Helen,

This is confirm that in the period of being Steve Larkin's supervisor his position has not changed in regard to his direct unsupervised contact with children. Steve has discussed this with me and he emphatically explained that he is not in direct unsupervised contact with children. I hope this is sufficient for your purpose.

Your truly

Good afternoon Mark

Thank you for the letter regarding Mr Larkins' role at the Hunter Aboriginal Children's Services.

As discussed this morning, in addition to the information in the letter, would you please confirm by e-mail as soon as possible that Mr Larkins' role does not have direct unsupervised contact with children/young people and that his role has not changed in the last 18 months, i.e. his role 18 months ago did not have direct unsupervised with children/young people.

Please call me on REDACTED if you wish to discuss this matter.

Thank you.
