Hi Sarah,

Please see below the outcome of the search Damian conducted on employer RED (Scouts) of Notifications made to us of reportable conduct.

Only one!

Hi Caryn,

Just the one - REP ID 3084 - for a REDACT submitted in 2005, you should be able to search for it in the ESS,

Hi Damian,

Are you able to do a search to see if an employer has submitted a notification to us?

We are wondering if Employer ID RED (Scouts) have reported any conduct to us regarding their employees/volunteers over the 12 years the check has been running?

Can you let me know?

Thanks

Caryn
