Hi Rod

Just confirming that following our meeting with **Link Up** we have now sent a letter extending their time frame for re-accreditation to Nov 2011. A letter confirming this will come to Annette soon. Will you let me know where you are up to on the financial and leasing arrangements assistance to Link Up once it is decided. Also have you provided the names of investigators to Link Up?

On **HACS** can you advise if PR is being removed from the agency as suggested - I understand that HACS is open to this proposal. We had a meeting with Judge Mark Marion last week and this issue was mentioned.

**OOHC Draft Transition plan** - at my meeting with Graham Jones of the Ministers office he indicated that it would be possible for us to get a copy of the draft so that we can:

- \* start some prelim planning
- \* also look to how we manage your (CS that is!) accreditation and the possible extension after 2013. We have done a brief for the Minister which I will get Maha to email to you tomorrow. The Minister's office view is to go as we suggested - so we should talk at some stage about how this can all come together.

regards
