Hi Maha

Just a clarification re the points you make in para 5:

CS suspended referrals to HACS - it was not our suggestion, although we support the move, and have provided feedback to CS on whether the suspension should be lifted.

We have not asked HACS for an action plan - we encouraged the Board to nominate an acting/PO, and have indicated that we will meet with the A/PO to discuss progress towards accreditation.

Hi,

please see attached updated info for inclusion in DFACS briefing note for Minister. I prepared in response to DFACS request and emailed this to

Could you please print and put on your hard copy file, and also save in relevant part of HACS file on G drive - I was nt sure where to put it.

You'll see I've saved the associated emails on G drive - HACS file (see emails 1,2,3 of 20 June saved in 2010-2011 corro folder). Could you also print these and put them on your hard copy file.

Thanks,  
 Maha
