Dear Peter,

I attended a meeting last night in my Region office with RC Ops Des Hocking and a former youth member, now a Cub Scout Leader. Allegations were made about the past behaviour of Regional Leader Scouts Steve Larkins. I did not discuss the details of the allegations. I only confirmed that the allegations were serious enough to necessitate immediate action. I rang Warwick Bateman and he talked to the complainant in confidence. Warwick has given you details of his recommendations.

I request that Steve Larkins is immediately suspended so that investigations can be carried out by the appropriate authorities.

Regards
