Here is your OPPORTUNITY to Work for the Y

We are a progressive organization offering fantastic training, staff recognition and career paths for enthusiastic passionate people. We are all about getting the "right people" to help us drive our message in local communities – every community deserves a Y.

We are an equal opportunity employer that welcomes diversity and offers flexible work arrangements to support our employees as well as encourage work life balance!

As part of a rapidly growing organization there are many opportunities to progress your career throughout the Y in one of our many program areas including aquatics, health and fitness, children's services, camps and recreation, youth and management.

We are currently seeking a full time Child Protection Manager to be based at our Children's Services office in South Western Sydney. This role includes some travel throughout NSW.

What we expect from you:

The Child Protection Manager will be responsible for the organisations commitment to safeguarding and protecting children and young people who use our services. The key role of the Child Protection Manager is to ensure our programs and services are delivered in accordance with program and legislative statutory responsibilities, policies and procedures.

The role includes managing, maintaining and coordinating compliance, licensing and auditing activities; policy development and staff training records and direct liaison with management and operational staff. The Child Protection Manager will also provide high level support regarding all CP auditing and licensing to the Children's Services Management team whilst providing expert advice and resourcing to ensure compliance across all YMCA program areas.

Essential

- ▼ Relevant tertiary qualifications eg: social welfare, psychology or similar qualification
- ▼ Relevant Industry experience
- ▼ Significant experience in child protection intervention and practice
- ▼ Demonstrated capacity to establish and manage an audit and compliance environment
- ▼ Demonstrated ability to understand and maintain audit and compliance systems
- ▼ Well-developed consultation and negotiation skills, and a demonstrated capacity to widely communicate policy, procedure and service/program needs
- ▼ Recognition of training needs/coordination, implementation and delivery of direct training
- ▼ Current driver's license and willingness to travel regularly

Desirable

- ▽ Previous experience in a not for profit organisation
- ▽ Certificate IV in Training
- ▽ Knowledge in the design, implementation and maintenance of business systems

Salary package is commensurate with skills and experience.
