My name is Anne-Mary Nolan, I am the Children's Services Program Manager for the YMCA of Sydney. Your email was sent to me from James Ellender.

We have been advised by JIRT that any parents requiring their children to be assessed need to use the helpline listed in the Parent Communication letter as they are the best equipped team to handle such situations. They are familiar with the allegations made and will have the resources to support both your child and yourself:

Please let me know if you have trouble accessing this assistance – We may be able to contact someone for you with the help of JIRT.
