Hi AT

Don't worry about the other matters going on - this issue is right at the top of the agenda. There are some additional pieces of legislation regarding this matter that should be going through Parliament in the next few days which Mark will be speaking on.

Unfortunately I can't make it on Thursday night - my girlfriend is arriving back from being away for work and I will be killed if I'm not at the airport to meet her. Sorry.

Is the YMCA a general community meeting, or a one on one with you?

Hi Mark,

Thank you for your email. The BASC Parent forum would appreciate Mr Speakman still meeting with YMCA. I will be attending a YMCA meeting tomorrow night and then there will be the parent forum on Thursday night so we shall document the collective concerns of parents and forward them to you.

Would you consider attending on Mr Speakman's behalf?

I have read the Leader and I understand that there are other pressing matters at the moment for Mr Speakman's office but would appreciate your presence so that you will be aware of the gravity of our community's concerns. I understand there will be an expert speaking on the regulation of OSHC and other guest speakers.

I look forward to hearing from you and appreciate your support to date.

Kind Regards,

AT

Hi AT

Thanks for your email - sorry I didn't reply last week, I do still have that email, and I have been talking to Mark about it.

Because it is the final sitting week of the year, it is very likely that Mark will still be in parliament at the time of the forum.

We are absolutely still happy to meeting with the YMCA, and to go through the concerns that you outlined in your letter (while maintaining your privacy, of course), and any others that come up on

Thursday night. If you and AW could send through the list of matters raised, we will organise the meeting and let you know the results.

Of course, if you want to discuss anything else, please give me a call, or send me an email,

Regards,
Mark E

Dear Mark,

please find attached a subsequent letter for Mr Speakman regarding this matter.

Could you confirm that you received my previous email with attached flyer inviting you to the meeting on Thursday, and that Mr Speakman will still be meeting with YMCA with respect to this matter.

Terms F As previously indicated, AW or myself will prepare a list of specific details for Mr Speakman to raise with YMCA, following Thursday nights meeting with parents.

I look forward to receiving your reply,

Yours sincerely,
AT
