Dear AT

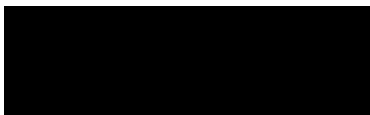

I am writing regarding your e-mail about an audit of YMCA Caringbah and the date that a person's record was checked.

I can confirm that an audit of YMCA Caringbah that I referred to in my previous letter was conducted after the allegations were raised and that the Commission is satisfied with YMCA's checking procedures.

The Working With Children Check is subject to privacy laws. Section 48B of the *Commission for Children and Young People Act 1998* prohibits the public disclosure of information related to background checking. I am therefore unable to provide you with the further information you requested.

If you wish to discuss this matter please contact Ms Lisa Purves, Manager, Child Safe Organisations on telephone number [REDACTED] or by e-mail to [REDACTED].

Yours sincerely

Megan Mitchell
