Dear AW

I refer to your email to the Minister for Education, the Hon Adrian Piccoli MP notifying him of a public meeting tonight to discuss issues arising from recent charges against a person associated with a before and after school care service. The Minister has asked me to respond on his behalf. Thank you for drawing this matter to the Minister's attention.

I understand that the matters under discussion are currently before the courts. It would be inappropriate for a representative of the Department of Education and Communities to engage in any discussion of the case, as it is sub judice, and for that reason, the Department will not be sending a representative to the meeting. I should also point out that the regulation of outside school hours care is the responsibility of the Commonwealth Government.

Responsibility for administering child protection legislation in New South Wales rests with the Minister for Family and Community Services. I note that you also sent your email to her.

Yours sincerely
