Sometime's I would drop him off to [REDACTED] other times John would come to my house and take him to [REDACTED] AO would attend from approximately 10.30am to 11.15am. I am aware AO friend AP attended [REDACTED] as well. Sometime in August to September 2011 I was informed by John he had picked up both boys to baby sit at my place for the rest of the day.
8. About 8.00pm on Thursday the 13th October 2011, John and Jill came to my house as John had text me earlier stating he wanted to come and talk to me. Jill stated that John had been depressed lately and it involved work at the YMCA. He said he was suspended from work on full pay in regard to an incident which occurred on a vacation care day involving a young boy on a bus, approximately a week before. John denied anything had happened and couldn't understand why this was happening. AO was in the room watching television, while this conversation took place. Jill was saying she was worried about him and they had gone to see a solicitor. They both asked if I would support John and provide a character reference, I said yes, they left shortly after.

I got up from the lounge and left the room, I was upset, I came back into the room and said, "How does he touch you?" AO said, "He rubs me on the top of my clothes." I said, "Does he rub you underneath your clothes?" AO said, "No mummy." AO then said, "I am embarrassed and I don't want to talk about it." AO put a rug over his head. I said, "I am so proud of you for telling me and I love you and you are such a good fella. John is never going to look after you or do that again." I said, "John is not allowed to do that to
