

"BB5" Public School 1

2/12/2011

Dear Parents

Today at recess your child was involved in an incident in and around the school toilets with a number of other children which involved him breaking at least one of the school rules and compromising the health and safety of others.

Some of the more serious breaches included:

- Climbing up gates in the toilets
- Spitting
- Pushing people to the ground
- Hitting with sticks and
- Throwing food (an apple)

I have spent considerable time interviewing all involved and have included your son's statement of the incident with his individual wrong doings highlighted.

As a consequence of this, today he has been on detention in the office area during lunchtime and this will be the case again at recess and lunchtime this coming Monday 5th December.

Could you please speak with your son about this incident and the need for more appropriate behaviour and return this letter (signed) to me on Monday 5th December as a means of communicating the fact that you have done so?

Thank you for your support in this matter

Regards
