PARENT FORUM

To discuss ways of improving Child Protection in Belton and After School Care Centres following the arrest of a child care worker in our store community for alleged child abuse... BASC.

6.00pm, Thursday 24th November 2011, Council Central Hall, 38-60 Crofton Street, Council Office, Cannock

Prior to the meeting please email your concerns with BASC child protection practices and suggestions for improvement to:

The meeting will facilitate a discussion of these ideas and views of individual family and effective implementation.

Parents have a right to determine how our children are looked after. Protecting our children is paramount and is the responsibility of the whole community.

This meeting is arranged by parents for parents and any concerned members of our community.
