Liam,

Thank you for your attached correspondence advising us of your three parent information session to discuss (1) Current YMCA policies and procedures for Children's Services, and (2) Discussing child protection with your family.

As per our conversation yesterday it would be great if you could at the commencement of your sessions establish clear ground rules advising participants on the following:

- A. That the session will not be discussing the police investigation,
- B. A suppression and non-publication order exists preventing the release of the details of the alleged offender and any victims,
- C. Anyone with information that may assist the investigation should make contact with Kogarah JIRT on 95536399 or Crime Stoppers 1800 333000, and
- D. Anyone that believes their child may have been subject to abuse should contact the Child Protection Helpline on 132111.

Please don't hesitate to call me if you have any future concerns,

Anthony
