Good morning,

As per our conversation this morning, please see the attached orders made by Local Court Magistrate FAVRETTO at Central Local Court yesterday. There is also confirmation from the DPP regarding this issue. I can confirm that only the suppression and non-publication order regarding the identity of LORD has been lifted.

The details regarding the facts, naming the YMCA etc will be heard at court on the 16th December. I anticipate at this time that the orders regarding the suppression and non-publication of these details will be lifted.

Let me know if you require any further information.

Regards,

Det Sgt Stacey Maloney ♦ Kogarah JIRT ♦ State Crime Command ♦ NSW Police Force

Mathieu,

Attached is the order made by Magistrate Favretto. Basically he has lifted the naming of the accused only and the naming of the offences. The media are not to have access to the court file unless we supply doctored copies of the CAN's removing all aspects of the offences which are not prepared to do. I have already had a good discussion with the media yesterday relating to this.

Could forward this to the informants in the other matters so that they are aware of this.

Cheers
