Hey mate,

All good at court. No appearance by the YMCA and that non publication order was lifted. Mr Holton advised the YMCA yesterday and they chose not to send someone so they should be aware. It's adjourned until next Friday for mention at the District Court where a date will be set for sentencing, probably around November. The media had some confusion about the changes to charges but in reality it is all the same with 29 in total.

Hey mate,

Sounds like a circus, great result, really good investigation , I'm glad you were there to assist. Is the YMCA aware that they will be named?

Hey Glyn,

Just a heads up that tomorrow Jonathon LORD will be mentioned at Central LC and he has indicated he will plead guilty to all 29 charges for the 12 boys. He will appear on AVL after the defence and DPP have settled on agreed facts and that some charges will be on indictment and others on form 1. Leanne and I will be notifying the parents today and give them the opportunity to attend.

The instructing solicitor has indicated that she believes there will be a media presence there as the non publication order regarding naming the YMCA won't be challenged and that he will be pleading guilty. The LIN family murder committal is also on at the same court where media will be as well.
