Hi Helen,  
 I had a meeting with 2 staff from YMCA. They have been told to tell parents who are concerned to call the CHild Protection Helpline now so we have changed our procedures at the moment. I have asked for a list of families enrolled in the Before and After School care so I can monitor.

I will not be sending any formal correspondence from the school. I will be saying very briefly at the P&C meeting tonight that it is still being investigated and contact the Helpline if concerned.

Thanks for your help  
 Marcia

Dear Marcia,  
 I wonder if this is all! I had a conversation with another Principal yesterday -- a parent had taken her child to Police following a disclosure about the vacation care.  
 I would be very careful putting anything in the newsletter. If need be, you could consider a separate fact sheet and referral to the police. Work with the media unit closely on this -- I would suggest Mark Davis who is aware of it. Is it the YMCA who runs the before school centre -- given the man worked there as well? Happy to talk further.

Dear Helen,  
 These are the police statements that have been released. He has now been charged. i will be contacting the YMCA this morning for a meeting. I need to know how they are addressing this to parents. We have kindy orientation coming up when they usually have a time slot to talk about their care.

What suugestions do you have regarding putting something in the newsletter?

Regards,  
Marcia
