Afternoon,

Just received a phone call from Mr BRUMBLE (Jonathan LORD's Barrister) at 2.45pm.

Mr LORD is currently at Sutherland Hospital and is undergoing a mental health assessment, as he is displaying suicidal tendencies. Mr Brumble will advise police of the outcome of the assessment. Mr Brumble was informed further charges are pending. No further details were provided. Mr Brumble finished the telephone call with words similar to, "What a little bastard.....sick...sick" I made no response and told him we would be contact. Mr Brumble assured me that he would keep me updated as to Mr LORD's whereabouts.

Mr Brumble's contact details:

[REDACTED]

I will update the event regarding this information. I have also advised the Officer in Charge of Miranda to ensure the bail compliance is updated.

Regards

Sandy McLachlan
