ACECQA - Compliance Letter

YMCA OSHC SERVICE PARTNERSHIP LETTER

Dear Principal School Partner

It is with great excitement that I would like to bring to your attention the upcoming changes within the children's services industry including the introduction of new regulations, outcomes and indicators that form the new National Quality Framework - My Time Our Place.

As part of our efforts to achieve compliance with the regulations the YMCA have been directed by ACECQA (The Australian Children's Education and Care Quality Authority) to obtain a letter from our school partners to establish our right to occupy the space as the 'OSHC area' for our Service Provider Application.

I have developed the following template to make this request as time friendly as possible, please see below:

I (Name) MARCIA VALLANCE Principal of CARINGBAH P.S.

Can verify that the YMCA of Sydney is currently occupying the following space for delivery of their OSHC service:

Indoor Space

Room: ER009

Block: E

Outdoor Space

Areas: Playground oval toilets

The YMCA of Sydney do this during the hours of:

- BSC: 7am - 9 am
 ASC: 3 pm - 6 pm
 VAC: 7 am - 6 pm

This space during the specified times based on operational requirements for the program is the 'OSHC Area' and is applied as such through partnership and support from both stakeholders.
