DIOCESE OF GRAFTON

The Anglican Church of Australia

2nd October 2005

Mr Richard A Campion,

REDACTED

Dear Richard,

Well if I did not believe it previously I do now – the world is a small place!

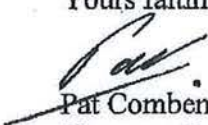

As we discussed please find herewith a Diocesan cheque for \$500 to assist with your costs of travelling to counseling appointments and other costs associated with bringing this matter to the attention of the Church.

Also enclosed are documents concerning the Pastoral Care and Assistance Package available to victims of child abuse or sexual misconduct by a church worker. The Diocese of Grafton follows these guidelines so where you see reference to "Sydney Diocese" please read it as if it is Grafton (although as you now know Sydney often acts as our agent in these matters).

I'll be away for just under three weeks and will call you when I return. It would be good then to catch up. Then also we might be able to do a more detailed statement on the matters in your letters. This will let me progress matters towards at least internal discipline towards one of the clergy you mentioned.

With every good wish

Yours faithfully

Pat Comben
Diocesan Registrar
