Dear Mr Champion

Thank you for your letter of 6 May 2007 regarding the North Coast Children's Home in the Diocese of Grafton.

I am most concerned that you are in such need for counselling to assist you to begin to address the long-term effects of the abuse which you have suffered.

I have today written to Bishop Keith Slater and requested that consideration be given to the provision to you of further financial assistance for counselling.

I hope and trust that this will bear fruit for you.

Yours faithfully

EPS
